Retro & curarum manserat crba domus.  
 Ad liquidum Benace tuo quem parturis Amnē. Nil arduum  
 Gurgite me longum sed leue traxit iter. volenti.  
 Mintius hic torto fluitat per saxa meatu  
 Effreniq; leues non gerit unda rates.  
 Concitat insanos decliui margine' fluctus.  
 Donec te latis Mantua eingit aquis.  
 Illic tuta sedes non expugnabilis ullo
